DTL or Technical POC: [George C. Follett](#), 410-962-6728

Synopsis: This proposed procurement is 100% set aside for Service-Disabled Veteran Owned Small Businesses. The NAICS assigned for this procurement is 562910 with a size standard of 500 employees. The performance period is for a base period of one (1) year with two one (1) year options. The contract awarded under this solicitation will be a Requirements Contract for Munitions and Explosives of Concern (MEC) Investigation and Removal Services.

The contractor will be responsible for investigations and removal services in clamshell-surfaced driveways and in clamshell stockpiles in New Jersey, Delaware, Maryland and Virginia. The work includes but is not limited to the investigative and intrusive aspects of MEC removal (to include conducting on-site detonations) as well as the ability to simultaneously manage multiple teams performing work at multiple locations. The contractor may be responsible for the disposal of all munitions debris encountered during site activities utilizing qualified personnel.

The solicitation requires separate technical and cost proposals to be evaluated on the basis of best value. Competitive proposals will be evaluated based on the evaluation criteria set forth in the solicitation package. The technical volume shall include technical approach consisting of management plan, project schedule, and key personnel, and capabilities and experience consisting of relevant corporate and personnel capabilities and experience, and subcontractor capabilities and experience. The cost proposal will be will be evaluated for completeness and reasonableness.

It is imperative that all small disadvantaged businesses contact their cognizant Small Business Administration Office to obtain Small Disadvantaged Business Certification. Without SBA SDB certification, neither a prime contractor nor a federal agency can receive SDB credit when utilizing non-certified SDB contractors/subcontractors. The solicitation will be provided in an electronic format, free of charge, to all authenticated account holders of Federal Technical Data Solution System (FedTeDS) -- a one-time registration process for vendors/contractors -- Accounts may only be attained by CCR-registered contractors/vendors, go to www.fedteds.gov for additional information. After issuance of the solicitation, contractors may view and/or download this solicitation and all amendments at the following internet address: <https://www.fedteds.gov/fedteds/start.nsf/frm.vendorlogin?openform&SolicitationNumber=W912DR-07-R-0023>. Plans and specifications will not be available in paper format.

Use of the FedTeDS website requires prior registration at www.fedteds.gov. It is the offerors responsibility to monitor the FedTeDS web site (using the above link) for amendments to the

solicitation. You must be registered with the Central Contractor Registration Database (CCR) to receive a government contract award. You may register with the CCR at <http://www.ccr.gov/>.

Questions concerning this project can be emailed to shelia.d.salter@nab02.usace.army.mil.

In order to register, each contractor must have a valid Dun & Bradstreet Number and Cage Code Number assigned for the specific location being registered and also be registered in the Central Contractor Database. Registered plan holders will be provided the solicitation. In order to reduce the possibility of error and to increase the quality of our service to you, all deliveries, packages, etc. must include the name of the Contract Specialist for the particular project. All deliveries, packages, etc. of more than one box or container must be bound together by tape or other means.

The solicitation is scheduled to be issued on or about 30 March 2007 with proposals due on or about 01 May 2007.
